

생각의 확장

지식과 경험의 한계가
아이디어의 한계가 되지 않도록

A chef with a beard, wearing a black long-sleeved shirt and a yellow apron, is seen from the side, looking down at his work. He is in a food stall or market setting. In the background, several people are visible, some looking towards the camera. A sign that says "The Frenchie" is hanging from the stall. The overall atmosphere is busy and focused.
